

Attention Camp Counselors:

We have included our Summer Camp Menu in your confirmation letter. For your benefit and to provide the best customer service possible, campers and/or counselors should complete the diner menus if they would like to order food not included with your reservation. Although the diner menus forms are not mandatory, they are strongly suggested to ensure everyone receives their food in a timely manor and has ample time to bowl. The counselor can bring the bags to the diner and wait as the order is filled. No outside food or beverages will be allowed inside our establishment.

We will call the child's name when their order is complete. After all orders are done, our staff will then return all menus and any change to the counselor. This provides the best experience for you and the children while they enjoy their time here at Greenacres Bowl.

Please be advised that orders that are not placed with our camp menu forms are not guaranteed to be prepared during your reserved time.

Thank You,
Greenacres Bowl Staff
