The cost will be a onetime entry fee of \$5. Prize payout will be 1 in 4. (Round of 32 will get their money back, 1st Place guaranteed \$100)

## Rules

1. This individual tournament is open to any current Greenacres Bowl League Member. We will take the member's highest summer league entering average. If a bowler is in multiple leagues with multiple averages, the highest average will be used and will be held for the duration of the tournament.
2. Each week all entered competitors will use their first league series as their 3 game set for the tournament. If a competitor bowls league on Monday and Thursday, their Monday scores will count towards the tournament. In the event they were absent on Monday, their first three games of the week were bowled on Thursday so those will be the scores for the event.
3. There will be no pre/post bowling for this event. Only scores from scheduled league sessions will count towards the tournament. Any competitor that doesn't complete 3 games in a scheduled league session will receive zero's for their score.
4. Handicap will be "Pins over Average" to level the playing field. Bowlers will hold their entering average for the duration of the tournament. Any and all ties for weekly cuts will be decided by the highest entering average.
5. Each week the field is cut in half until we have the final two competitors bowling for the title. This event could run for up to 9 weeks based on the number of entries.
6. Prize fund will pay (on average) 1 in 4. The round of 32 will get their money back based on 128 entries. First place is guaranteed \$100 regardless of entries.
7. Entry will be a one time fee of \$5
8. Scores will be collected throughout the week and the results posted Monday morning via [gatorbowling.com](http://gatorbowling.com) and other social media outlets.
