to book your lanes!

*What is the **Spark Experience**?*

*Dubbed **bowling's first immersive, interactive scoring experience**, Spark is an augmented reality bowling system that uses laser projection to turn a traditional bowling lane into a dynamic, interactive, and visually immersive game.*

*Choose from one of many one-of-a-kind games such as **Angry Birds Bowling, Boom Bots, Rival Rumble, and more!***

Available Wednesday, December 31, 2025 from 10AM-10PM only. Cannot combine with any other discounts, coupons, promotions, or specials. Spark Experience & laser bowling lanes are limited and sold on a first come, first served basis. Online reservations must be paid in full, no deposits will be allowed to hold your spot. Must be 21+ to purchase and consume alcohol. No outside food or beverages are allowed. Last NYE Party Package sale will be at 10PM, center is open until midnight unless otherwise noted. Promotion subject to change without notice. Greenacres Bowl reserves all rights.
